Pick a scene and reflect on the relationship among images and text and story. Do the images complement and reflect or contradict the words (and/or story)? What does this relationship tell you about the mood, tone, and focus of the scene?

Empty response box for scene reflection.

Consider the page layout. Find a location where the **panel pattern** changes or where the **panel size** increases or decreases. How does this variation reflect what's happening in the narrative?

Empty response box for panel pattern analysis.

Define the 'gutter' and explain its significance. Why is the gutter a significant factor of the graphic novel? What does it invite you to do, and how does that enhance your understanding of how a narrative works?

Empty response box for gutter definition.
